

REMARKS

Reconsideration and allowance of the above-referenced application are respectfully requested.

Upon entry of this amendment, claims 1-4 are amended, and claims 1-4 will remain in the application.

Double Patenting Rejection

Claims 1-4 are rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-4 of prior U.S. Patent No. 6,751,206. Applicants submit that both the present application and the prior patent are commonly owned by QUALCOMM Incorporated. Applicants submit herewith a terminal disclaimer in compliance with 37 C.F.R. 1.321(c). Therefore, it is respectfully submitted that the rejection should be overcome and withdrawn.

CONCLUSION

In light of the amendments contained herein, Applicants respectfully submit that the application is in condition for allowance, for which early action is requested.

Please charge any fees or overpayments that may be due with this response to Deposit Account No. 17-0026.

Respectfully submitted,

Dated: December 10, 2007
